PRESENTS

THE SOUTH CAROLINA BIG 50

IN ASSOCIATION WITH THE
SOUTH CAROLINA CHAMBER OF COMMERCE,
THE RANKING
OF THE STATE'S MAJOR EMPLOYERS.

After a three-year hiatus, the South Carolina Big 50 has returned. The South Carolina Big 50 ranks private, public and foreign-affiliated companies by the number of employees on their South Carolina payrolls as of July 1, 2011.

All companies with operations in South Carolina are eligible for the South Carolina Big 50. However, the ranking might not include all major employers in the state because the list is tabulated according to participant responses received. Participants were asked to provide their employment figures, location of corporate headquarters and products and services.

Individual company employment figures are not published in the South Carolina Big 50. Results reported for this 2011 issue of *South Carolina Business* represent approximately 206,000 employees, down 2,000 from approximately 208,000 in the 2008 issue.

Unlike the South Carolina 100 and South Carolina's 25 Fastest-Growing Companies, the South Carolina Big 50 includes company subsidiaries and divisions (both public and private), and parent companies do not need to be located in South Carolina. The South Carolina Big 50 includes financial institutions, insurance companies, retailers, retail establishments, hospitals and health care organizations. The South Carolina Big 50 excludes government agencies and organizations.

The top company remained the same as in 2008, with Walmart Stores Inc. continuing to be ranked at No. 1. BI-LO LLC remained No. 2, while Greenville Hospital System moved from No. 5 to No. 3.

Thirteen new companies not on the last list are represented in this year's rankings. They include: Lowe's Companies Inc., headquartered in Mooresville, North Carolina, ranked No. 8; Wells Fargo and Company, headquartered in San Francisco, California, ranked No. 9; Dollar General, headquartered in Goodlettsville, Tennessee, ranked No. 16; Robert Bosch LLC, headquartered in Farmington Hills, Michigan, ranked No. 17; HCA South Atlantic Division, headquartered in Charleston, South Carolina, ranked No. 19; Target, headquartered in Minneapolis, Minnesota, ranked No. 21; Duke Energy, headquartered in Charlotte, North Carolina, ranked No. 22; Walgreens Co., headquartered in Deerfield, Illinois, ranked No. 23; The Home Depot, headquartered in Atlanta, Georgia, ranked No. 24; Piedmont Medical Center, headquartered in Dallas, Texas, ranked No. 42; Blackbaud Inc., headquartered in Charleston, South Carolina, ranked No. 44; Colonial Life & Accident Insurance Company, headquartered in Columbia, South Carolina, ranked No. 46; and Staples Inc., headquartered in Framingham, Massachusetts, ranked No. 50.

The South Carolina Big 50 is compiled by the South Carolina based public accounting firm of J.W. Hunt & Company LLP, in cooperation with the South Carolina Chamber of Commerce, under the direction of Anne H. Ross, CPA.

Realizing that business employment figures fluctuate constantly, the South Carolina Chamber encourages top employers to participate in the South Carolina Big 50 each year to ensure accurate rankings. To learn more about this year's survey or to be included in the survey for 2012, contact Anne Ross at 803-254-8196 or aross1@jwhunt.com.
